**COUNTY ITEMS.**—On Wednesday evening Excelsior Lodge, No. 4, I. O. G. T., had a large meeting and elected officers for the ensuing year, as follows: Brother C. F. Corbett, Worthy Chief Templar; Sister M. A. Stevens, Worthy Vice Templar; Sister Martha Woodward, Worthy Financial Secretary; Sister Ida C. Wibirt, Worthy Secretary; Sister M. E. Wibirt, Worthy Treasurer; Brother S. B. Corbett, Worthy Chaplain; Brother Regie Munson, Worthy Marshal; Sister Minnie Bell Wibirt, Worthy Inside Guard; Brother Berry, Worthy Sentinel; Past Worthy Chief Templar, Brother Ansel Watrous. During the evening, under the head of Good of the Order, Brother S. N. Corbett, P. O. W. C. T., delivered an interesting address on the Rise and Progress of Excelsior Lodge, showing the great work it had performed in keeping the worm of the still from Arlington, which to-day possesses no dram shops nor drunkards. He was followed by Brothers Ansel Watrous, W. D. Newton, and others, and at a late hour the Lodge adjourned. Arlington can well boast of its Lodge. The cause of temperance is not dying out in this good old commonwealth. The Grand Lodge will meet at Harrisonburg soon and the temperance flag will be raised in every part of the State ere another year rolls by.

The singing school, in Arlington, taught by Mr. A. B. Ransom, has over thirty scholars. Mr. R. is an excellent teacher, and the members of his class prove it by their good order and disposition to learn.

An old colored woman, known as Aunt Phil, living near Freedman's Village, aged 103 years, died Tuesday night.

Mr. W. C. Wibirt killed twelve squirrels in the woods near Barcroft's mill, last Monday. They are very numerous this fall, and a sure sign of a severe winter.

"Tom Collins" was pretty well thrashed by a gentleman who he insulted in the Arlington postoffice Tuesday evening.

A BAFLED POLITICIAN.

"The best laid plans of mice and men, Gang all agley, And leave them naught but grief and pain, For promised joy."

Such were the sore reflections of R. D. Ruffin, the independent candidate for County Clerk, last night, as he retraced his foot steps from home on the north side of the canal, baffled in his attempt to address a meeting which he had called for the purpose of advocating his election and that of Mr. Barbour, the independent candidate for Congress. When the meeting had assembled Ruffin found that his call had been generously responded to, and he was ready, his tongue larded with many several sorts of reasons importing his own election, and that of the candidate of his choice, to make a speech; but he discovered to his chagrin and mortification, that the audience was unanimously opposed to hearing anything he had to say, and John B. Syphax, colored member of the Legislature, and Wm. A. Roe appearing upon the scene, the meeting immediately organized by electing Wm. Harris chairman, when Roe and Syphax proceeded to address the audience denouncing Ruffin in severe terms, and ridiculing the Colporteur Convention. The remarks of the speakers were endorsed by the meeting, and a resolution passed denouncing Ruffin's course, who, in the meantime had retreated across the canal bridge, and like an erring spirit, hid to his confusion.

**DEATH OF JAS. H. CAUSTEN.**—The Washington Star says: "A venerable and much respected citizen, Mr. Jas. H. Causten, died last night, on the 27th year of his age. Mr. Causten was born in Baltimore, September 26, 1788, and has been a resident of this District for forty-two years past. He was counsel for the republics of Chili and Ecuador for a considerable period, and has been widely known for many years as the agent for the 'French Spoliation Claims,' the payment of which he urged with eloquence and indefatigable energy, but which, just as they undoubtedly are, the country never found it convenient to pay, and he died without seeing the fruition of his long labor. Mr. Causten served as a soldier in the war of 1812, and he was one of the staunchest Union men in feeling during the late rebellion. His memory will be held in respect by all who knew him."

**LIGHT HOUSES.**—Gov. Groome has signed the deeds to the United States for the following sites of light houses, situated in Maryland: First, Maryland Point Light Station, situated on a lump in mid-channel of Potomac river, Charles county. Second, Port Tobacco Flats Light Station, situated on the edge of the flats making out at about the middle of Port Tobacco river, and at the turn of the Potomac river around Mathias Point, Charles county. Third, Lower Cedar Point Day Beacon, situated on the end of the shoal making out from Lower Cedar Point, Potomac river, Charles county. Fourth, Thomas Point Shoal Light Station, situated on the point of shoal making out from Thomas Point, Chesapeake Bay, Anne Arundel county.

**STREET RAILROAD.**—The President of the Alexandria Passenger Railroad Company has informed the committee appointed by the late citizen's meeting to raise subscriptions for the purpose of leasing and again operating that road, that unless they obtain the requisite amount in a short time the cars will be sold and the track torn up. It is understood that about twenty-two hundred of the required three thousand dollars have been raised, and that with a little exertion the remainder can be gotten without much trouble.

## POLICE REPORT.—The following cases have been reported at Police Headquarters since yesterday evening:

John Biggs, colored, for keeping a dog without license, was fined and discharged.

John Nelson, colored, for disorderly conduct at Fishtown, was discharged for want of evidence.

John Reed, alias Bob Jones, colored, from Washington, for exchanging counterfeit gold coin for currency, was locked up for examination. He was arrested by officer James Smith after a prolonged chase.

**ATTACKED BY A RAM.**—Prof. J. C. Foertsch, formerly of Alexandria, but now residing on his farm near Richland, was attacked by one of his old rams, a short time since, knocked down and badly hurt—almost slain—before the infuriated animal could be driven off. The injuries were of so serious a character as to require the attention of a surgeon, but, fortunately, the professor has entirely recovered, and was in this city to-day on a short visit to his numerous friends here.

**LOOK BEFORE YOU—DRINK.**—A colored man at the Henry-street depot, who took a cup of milk out of a can on his way to Washington, this morning, was horrified when, on raising it to his lips to drink, he saw swimming in it a lizard. It is bad enough to put water in milk, but the endurance of consumers is pushed to too great an extent when to the water lizards are added.

**FALL OF A HOUSE.**—It was stated in yesterday's Gazette that the old framed house that stood on a portion of the lot belonging to Christ Church rectory was being removed to another part of the city. This morning when the jack screws had raised one side of the house and were being put under the other side, the whole building fell down, making a loud crash and raising a cloud of dust, but fortunately injuring no one.

**SUPERVISORS OF ELECTION.**—Judge Hughes has appointed the following Supervisors of Election in this city:

4th.—W. Miller and B. W. Nalls.

**A CURIOSITY.**—There has been left at this office by Mr. John Hart, of the 1st Ward, a curiosity in the shape of two large-sized and well-formed eggs—with soft shells, however, the two points of which are connected by a communicating tube. The curiosity was the product of a pullet belonging to Mr. Hart, and was her first effort in the egg laying line.

**FIRE DEPARTMENT.**—It is understood that the Chief Engineer of the Fire Department will call out the entire department at an early day for the purpose of making an inspection, and of ascertaining whether any of the companies are not properly equipped for service under the provisions of the State and Corporation laws on that subject.

## LOCAL BREVITIES.

William Claggett, the colored man arrested here a few days ago and committed to jail for robbing the house of his sister, on the opposite Maryland shore, on the night of the robbery went to the house of his former master, near by, and dug up and carried off from the yard a stone that had been there for many years, which action has been and continues to be a source of wonder to the neighbors.

A colored ecclesiastical council was held at Howard Village yesterday. Rev. A. Henderson, of Mount Zion Church, Alexandria, was president, and Rev. R. S. Laws, of Alexandria county, delivered the sermon. A new church was organized under the name of Mount Bethel Baptist Church.

The rear window frames in the Relief engine house were removed yesterday, and the ends that adjoined the five were found to be so burned and charred that had a fire been kindled in the house before they were taken out the whole building would probably have been in flames.

The weather to-day was cloudy—that is, the haze was so thick that the sky looked cloudy—and a few degrees cooler than it was yesterday. It was not unpleasant, however, and did not show that the Indian summer had expired.

The Gordonsville Gazette says: "Some gentlemen hunting on the farm of Mr. P. H. Cowherd, about four miles from town, on the Charlottesville road, killed a genuine sora one day last week."

The government steamboat inspectors having completed their inspection of the Maryland ferry boat Virginia, and found her in good condition, that steamer resumed her trips this morning.

Mr. Boyd Barrett, the genial host of the City Hotel, is spoken of as the Conservative candidate for the Common Council from the 2d Ward.

An old colored woman named Nancy Franklio was swindled out of some currency yesterday by exchanging it with a strange colored man for counterfeit gold coin.

It will be seen that a meeting of the Conservative Ward Superintendents will be held to-morrow night, at the office of the City Sergeant, at 8 o'clock.

After a rest of some weeks the mosquitoes reappeared last night in large numbers, and sang and bit with renewed energy.

## Fire in the Woods.

CINCINNATI, O., Oct. 30.—A special dispatch from Hartford City, Indiana, says that there is a terrible fire raging in the woods just south of there, fully four miles in length, and a heavy wind is blowing it along the track of the Fort Wayne, Muncie and Cincinnati Railroad, threatening the track and bridges with destruction. A Dayton, Ohio, special says that the woods and fields between Union City and Greenville, and D-dson and Greenville, are on fire in many places, hundreds of acres being covered with flames. In the forests the flames have climbed to the tops of the tallest trees and present a terribly grand spectacle at night. The convention adjourned sine die.

## Savings Bank Suspension.

MILFORD, Pa., Oct. 30.—The Milford five cents savings bank was suspended, with liabilities of a half million dollars which will be covered, it is believed, by securities held by the bank. Excitement runs high against the bank officials, and is increasing. The bank has stood well in the past, but the failure to pay an expected dividend in August, and the suspension of the National banks last year made the depositors nervous. It is likely the concern will be wound up.
